

How to get to the Secura Office in Amsterdam

Our office can be found on the Karspeldreef 8, 1101 CJ Amsterdam (1st floor)

Public transport

Using public transport, you can either walk from Amsterdam Bijlmer Arena train station (ca. 10 minutes) to our office or grab a metro to Bullewijk for a much shorter walk.

Own transport

To arrive at our office in Amsterdam, set your GPS to Karspeldreef 8. Once you have arrived, you may use the entrance on the right side of the building, marked by a barrier.

Driving around the building, do not enter the parking garage or go up the parking deck, instead please use the spaces on the marked Secura, around the building (straight after the barrier at the right-hand side of the building, and left from the building).

If the office parking is full, another option would be to park at Amsterdam Arena and then either walk or take the metro to the office.
